Please indicate ALL conflicts you have with the schedule on the left, wherever there is a rehearsal time indicated (e.g. 7:00--); or a set build indicated. Please note that Load in (Apr. 29; Tech Week, Performances and Strike are **mandatory**. If you have a conflict with one of those dates you must see the producer immediately, BEFORE being cast in the show.

Put an X through the box of any date you are not available.

REMEMBER, If you are planning a trip during President's week or Spring Break, PLEASE be sure to indicate you are not available that week, using "X" (*Ross Valley School District spring break is week of Apr. 9*)

Also note we will not rehearse EVERY Wednesday but we'd like to know your availability. We typically use Wednesdays for small scene work with principle/lead actors. These rehearsals are at the Annex Studio.
